

National University of Sciences and Technology

School of Electrical Engineering and Computer Sciences

Electrical Engineering Department,

EE-381 Robotics-1

Semester Project Submission Instructions

- Material to submit: Report (IEEE format) + codes + presentation slide + LaTeX files and overleaf link (if use Latex).
- Contribution of every student should be mentioned separately and clearly.
- Novelty should be clearly defined.
- Submit the project material in a zip file via lms.
- The uploaded zip file should be named as Ai_Saqib_Asad (the first name of the group members).
- Each group will be allocated (see the schedule uploaded on LMS) **10-12 minutes** to present their project.

Evaluation rubrics

sr #	Project Title	Name of Student	Presentation					Paper/ report				Code		Class participation during presentation	Total marks
			Knowledge/understanding	Way of presenting	Organization of slides/material	Time management	Team work	Neatness & organization of content	template	Plagiarism & AI generated content	Course/topic knowledge	In working condition & originality	Novelty/application
